

## The do's & don'ts of hardwood

---

### Don'ts:

USE ANY OF THE FOLLOWING PRODUCTS OR SIMILAR ON YOUR HARDWOOD FLOORS: AMMONIA, FANTASTIC, FORMULA 409, POWDERED ALL-PURPOSE CLEANER, PLEDGE, MOP N GLO, MURPHY'S OIL SOAP, ORANGE GLOW OR OTHER POLISHES.

STEAM MOPS OR BUCKETS OF SUDSY WATER TO MOP HARDWOOD FLOORS. THIS METHOD COULD PERMANENTLY DAMAGE THE FLOOR. **WATER IS A WOOD FLOOR'S BIGGEST ENEMY.**

USE WAX A URETHANE FINISH

WEAR HIGH HEEL SHOES ON A WOOD FLOOR

PLACE RUGS BEFORE 2 WEEKS

CLEAN WITH ANY WET SOLUTION FOR THE FIRST 2 WEEKS

PLACE PLANTS ON FLOOR THAT COULD LEAK

---

### Do's:

PUT BREATHABLE RUGS DOWN AFTER 2 WEEKS IN HIGH TRAFFIC AREAS.

VACUUM (NO BEATER BAR) OR SWEEP THE FLOOR OFTEN TO PREVENT DIRT FROM BUILDING UP AND SCRATCHING THE WOOD.

PUT PROTECTIVE PADS ON FURNITURE LEGS AND CLEAN FREQUENTLY.

KEEP YOUR PETS' NAILS TRIMMED. HARDWOOD IS PET FRIENDLY, BUT YOUR DOG'S NAILS MAY RUIN YOUR FINISH IF THEY GO UNTRIMMED.

LIFT FURNITURE INSTEAD OF PUSHING OR DRAGGING.

PUT SHEER DRAPES OR CLOSE BLINDS TO AVOID DIRECT SUNLIGHT ON HARDWOOD FLOORS.

ALWAYS USE WATER-SOLUBLE HARDWOOD FLOOR CLEANER LIKE "WOOD KLEEN" HARDWOOD FLOOR CLEANER DISTRIBUTED BY ABOVE ALL HARDWOOD FLOORS.

WIPE UP SPILLS IMMEDIATELY

### Did you know?

**Buff and coats or re-sanding should be performed by an experienced hardwood floor professional. Some hardwood floors CANNOT be successfully recoated. Floors with light exposure, discoloration under area rugs or those improperly cleaned will cause guaranteed FAILURE.**

**Hardwood that has no finish and/or stain left CANNOT be recoated.**

**To get desired results, refinishing must occur. Above All educates our customers with accurate information to earn your repeat business. Stick with the recommended maintenance to guarantee a long life for your hardwood floors.**
